Rate Revised Billing: 01/01/20

RATE 1 & 1-ST (Seasonal Tax) & 1SEAS (Seasonal Property)
Farm, Residential, Small Commercial, Customer Owned Metered Lights

Availability

Available to customers of the Cooperative for all FARM, RESIDENTIAL, SMALL COMMERCIAL and CUSTOMER OWNED METERED LIGHTS users having a transformer requirement of up to and including a capacity of 50 KVA. If a transformer larger than 50 KVA is needed solely because of Metered, Controlled, Off Peak Load, the customer will continue to qualify for this rate.

Or –**Line Retention Accounts** where no meter is installed but account is connected to a separate transformer; the \$41.00 Access Charge will be assessed.

A residence is defined to be a (1) dwelling used for the general functions of a household and permanently equipped with cooking and eating facilities, occupying space specifically designed for them. If more than (1) dwelling on main meter, additional Access Fee will be billed.

Type of Service

Single Phase at available secondary voltages

Rate

Access Charge

- \$44.00 per month will not include any kilowatt-hours.

kWh Rate

- June/July/August \$0.119 per kWh
- September-May \$0.099 per kWh

Power Cost Adjustment

Definition: The variance between KPC's budgeted wholesale power cost -per kWh, and actual cost from the wholesale power suppliers. Any difference between actual and budget may be applied to the member's bill.

Terms of Payment

Meters are read by the cooperative on or around the 30th or 31st of the month and billed around the 12th of the month. The current bill shall be paid on or before the 1st of the following month to avoid penalties.
